Scientific student day  
VIES team 2024

**Social justice and empowerment in the aging  
population**

**March 25th, 2024 : from 9 am to 5 pm  
Université du Québec à Montréal - Room J-1450**

*Free event*

The VIES Team (vieillissements, exclusions sociales et solidarité) is organizing a bilingual scientific day by and for students on the themes of social justice and empowerment in the context of aging. The event is intended to provide a forum for discussion and the emergence of innovative ideas, while fostering interdisciplinary collaboration. It's also an excellent opportunity to meet and network with other passionate researchers. We therefore invite all students and professors-es from all departments, all cycles and all Quebec universities to come and take part in the Team VIES Student Science Day, free of charge.

**Join us for our 5 to 7  
networking event!!**

**To participate, please fill in the form by clicking on :**
